The Proper Food For Poultry.

Opinions differ widely as to what is the proper grain ration for poultry. Almost every poultryman has his own ideas on the subject; but, no matter what is used, it is universally conceded that some sort of animal food should be given in connection therewith. What C. S. Carr of Bogue, Mass., thinks on the subject is expressed in the following letter from him: "I think 'Page's Perfect Poultry Food' ought to be kept by the hens all of the time in the winter with other foods, such as cracked corn, oats and wheat." GERMS CAUSE DYSPEPSIA

IF YOU DON'T KILL THE DISEASE GERMS THEY WILL KILL YOU. PEPSOIDS DRIVE THE GERMS OUT OF THE STOMACH AND REBUILDS IT. WRITE FOR A FULL SIZED BOTTLE—FREE.

A noted physician of Pittsburg, Pa., in a recent letter to Dr. Oidman says: "In your prescription known as 'Pepsoids' you have given the medical world the greatest and most valuable discovery in medicine of the present century. You have at last solved the problem that has baffled the skill of the best physicians of recent times, how to cure permanently all Acute or Chronic Stomach Diseases known as Dyspepsia, Indigestion, Catarrh of the Stomach and Digestive Weakness. I have used your preparation, 'Pepsoids,' in hundreds of cases with a single failure. I attribute the success of your treatment mainly to the fact that the disease germs of the stomach cannot resist Pepsoids. Your theory that most Stomach Diseases are brought about by multitudes of nefarious disease-breeding germs must be correct, judging from the remarkable results attained from the use of your 'Pepsoids.' I consider 'Pepsoids' the best and most valuable remedy yet discovered for the treatment of all Stomach ailments. Pepsoids cure Dyspepsia and all Stomach Diseases, in a new way, by repairing the worn-out lining of the Stomach and at the same time, destroy all disease-breeding germs. Dyspepsia and the worst forms of Stomach Disorders once cured in this way never return. Pepsoids are sold at drug stores at 25c a bottle on an absolute guarantee or money refunded. If you have not used Pepsoids before we will send you a 50-cent bottle FREE. Send us your name and address and you will receive promptly, a full sized bottle. You do not obligate yourself to pay a cent. All we ask, after Pepsoids have cured or greatly benefited you, is that you recommend Pepsoids to your friends. Try Pepsoids to-day—they will cure you. The Vio Chemical Co., Chicago, Ill."

RECENT INVENTIONS.

A darning machine, one which will in ten minutes cover a hole that an industrious woman could hardly fill in an hour, is a recently invented piece of labor saving apparatus.

A Lancashire mechanic named Dennis Flanagan has perfected a sewing machine which will sew direct from two spools of thread, doing away with the complicated mechanism of the machine now commonly in use.

WORSE EVERY YEAR.

Plenty Of Barre Readers Have The Same Experience.

Don't neglect an aching back. It will get worse every year.

Backache is really kidney ache. To cure the back you must cure the kidneys.

If you don't other kidney ills follow—Urinary troubles, diabetes, Bright's disease.

A Barre citizen tells you how the cure is easy.

Norman York of 14 South Main Street, says: "When living at 8 Pearl Street in the winter of 1897, a gentleman called upon me and asked my opinion of Doan's Kidney Pills and to allow him to have the same published in our Barre papers. I consented and told him for five or six years I had been annoyed with my kidneys, caused, I thought, by a strain. There was no doubt about the pain, but when there was added to it annoyance from the kidney secretions I was positive some disturbed action of the kidneys existed. If I stooped to lift it was with the greatest difficulty I could regain an erect position. Well, in spite of that, a continuation of the treatment of Doan's Kidney Pills, procured at E. A. Drown's drug store, stopped the attack. Since then I have never lost an opportunity of recommending the preparation to friends and acquaintances and I know of a great many who have taken a course of the treatment, obtaining positive benefits."
